

Division 3. Air Resources Board

Chapter 3.5. Heavy-Duty Diesel Smoke Emission Testing, and Heavy-Duty Vehicle Emission Control System Inspections

§ 2186. Demonstration of Correction and Post-Repair Test or Inspection.

(a) The owner may demonstrate correction of the vehicle by submitting to the Air Resources Board the following documents:

(1) Where repairs are made at a repair facility, a repair receipt or a completed work order which contains the following information:

- (A) Name, address, and phone number of the facility;
- (B) Name of mechanic;
- (C) Date of the repair;
- (D) Description of component replacement(s), repair(s), and/or adjustment(s);
- (E) Itemized list of replaced component(s), including description of part, part number, and cost.

(2) Where the owner makes his or her own repairs outside of a repair facility,

- (A) An itemized receipt for the parts used in the repair, and
- (B) A statement identifying that date and nature of the repairs made.

(3) Where the citation or notice of violation was based on a failure to meet the opacity standard applicable under section 2182, a smoke test report from a subsequent test showing that the repaired vehicle passed the applicable section 2182 standard along with a statement to that effect made under penalty of perjury by the person who conducted the subsequent test.

(4) Where the citation was based on a failure to pass an emission control system inspection as specified in section 2183, a statement by a person, under penalty of perjury, that the person has reinspected any components identified in the citation as defective or tampered and has determined that these components are in good working order.

(b) In lieu of submitting the documents identified under section 2186(a), the owner may demonstrate correction of the vehicle by submitting it to an ARB post-repair test or an ARB post-repair inspection.

(c) The Air Resources Board shall require an ARB post-repair test or an ARB post-repair inspection whenever:

- (1) a submitted repair receipt or work order does not comply with (a) above;
- (2) a repair receipt or work order appears to be falsified; or

(3) A second and subsequent failures of the test procedure or an emission control system inspection on the vehicle occur within a one year period.
